

PATH taken first in	Col, Baisse, ... (Pass)
2003	Mountain Ridge
2004	Mountain top
2005	River (if seen with water during at least one trip)
2006	Refuge or shelter

Note : this sketch does not cover the full area travelled (to keep it compact); more details are given in the text
 It only refers to paths actually travelled: even more standard paths or itineraries are not mentioned if they were not actually used..
